

No. 5/16/2010-S-II
GOVERNMENT OF PAKISTAN
MINISTRY OF INTERIOR

Islamabad the 2nd December 2021

Subject: **NOC / PERMISSION FOR ARMOURING OF VEHICLES**

The undersigned is directed to refer to the subject noted above and to convey that Ministry of Interior receives requests for issuance of NOCs to import consignments of armouring / retrofitting companies for bullet proof vehicles / Raw materials / Helmets & Jackets. Furthermore, the Custom authorities counter verifies all such NOCs issued by MOI before clearance of import consignments falling in the purview of Police / SOPs on Armoured Vehicles-2017.

2. It is to convey that Policy / SOPs on Armoured Vehicles-2017 has been placed on the web site of MOI since its approval by the Competent Authority (**Copy Enclosed**). The Clause 2.2 of the said policy provides for renewal of all the NOCs / authorization subject to payment of annual renewal fee duly provided vide Clause 8.1 of the Policy. It has however, been observed that most of the companies dealing with bullet proofing / retrofitting have not renewed their NOCs/ authorizations after promulgation of Policy / SOP on Armoured Vehicles-2017. Such practice is clearly not in conformity with law.

3. All individuals / companies dealing with Bullet Proofing / retrofitting which are holder of NOCs / authorization of MOI for such business are directed to immediately process their cases for renewal of NOCs / authorizations within three (03) months, failing which, the law will take its course.

4. This issues with the approval of the Competent Authority.

(Mansoor Ali)
Section Officer (S-II)

All individual (s) /Companies
For Bullet Proofing / retrofitting.
